TO OUR ADVERTISERS, SPONSORS AND FRIENDS

Polka Guide and the Radio-TV Polka Club desires to express its appreciation for the splendid response and generous support given by its many friends who have made this wonderful program possible.

We are deeply indebted to the many advertisers and sponsors, and it is earnestly requested that our friends and neighbors patronize them on all occasions.

Our heartiest and sincere thanks to the representatives of the radio and TV, the many polka bands and everyone who has contributed to the success of Polka Guide.

PLEASE BE INDULGENT

Try as we might for perfection (and we did) due to the complicated nature of assembling a book of this size, errors are bound to occur. If some names were unfortunately omitted, or some names inadvertently misspelled, do extend your generosity a little further and forgive us.
