The Aspirations of Polka Guide

By John Lewandowski

Today's changes of values and possibilities of their elimination have been voiced by many.

It was a nice evening, a foursome met in a Chicago pub and began to hash over the various changes of true values which are taking place in today's society.

It was noted that morality and common decency has been overridden by today's sex outlook. Much impetus is being placed on sex today. Movie houses do no longer show a decent picture nor earn an honest buck without glorifying sex. Clothing manufacturers not only cut away, but delete and tighten in the garments worn by our fair ladies. So sexy they be that little is left for the imagination.

The oncoming dance steps are those of a passion frit and the new societies and clubs heavily lean to an off beat's set of values.

Modern art in paintings are a conglomeration of crooked lines and colors carelessly splattered about a clean canvas. Today's painter may as well throw away his hands and brushes. It would gain him more glory and bring in a bigger booty.

In the arts of music, like in the paintings, as soon as someone asks, What is It? It's a modern hit number.

And on and on went the conversation of the foursome in the pub, till one of'em said, "And What do we choose to do about all this?"

Dear Reader, here and now, is when and how, the Polka Guide was born. The foursome decided that there was a common ground on which to build true values. Their common ground was the happy polka and all those happy polka people behind it. The foursome realized that they could not eradicate all evil but they did not omit the possibility that one good value helps to contaminate another.

The rest, my friend, is History, your Polka Guide grew rapidly. It brought about many changes, intoxicated many a mind, arched a few eyebrows, and shook up a few bones. It enriched the music field, it enlivened the dances. Increased the dance attendance.

Brought about closer ties in the polka personnel and increased the hours of clean wholesome fun for Today's public.

The Polka Guide is to be congratulated for its efforts but the true value of a job well done came from the hearts of you polka lovers.

This year, Polka Guide shall hold its annual convention on August 6 - 7 - 8 in Buffalo, New York. Not less than 18,000 polka lovers from everywhere are expected to attend the convention. Some estimates run 4 to 5 times that number.

We say the more the merrier. Come join us, enjoy yourself, meet the best at their best in good clean wholesome entertainment.

Now please try to remember Polka Guides Aspirations of true values and when the occasion presents itself say your bit in behalf of these true values.

WE THANK YOU.

P.S. If you tavern keepers will kindly pardon the expression then I'll quote Stasiu (humble) Pokorny who sez, "It looks to me like this foursome who hatched the Polka Guide in the Chicago tavern, beat the devil on his home grounds."

Buffalo, New York Awaits Polka Convention

Looks like the 1965 Polka Guide International Polka Convention set for Buffalo, New York August 6, 7, and 8 will be the biggest to date. All of which bespeaks well for the labors of the Convention Committee headed by Mr. Matt Filipowicz in New York, Disc Jockey's all over the nation and Canada, Band Leaders, and Polka Guide.

Another look at the intense daily schedule of events proves that there won't be a dull moment in the long 3 day and night agenda. This years Polka Convention excellently blends serious business with a fanfare of Top entertainment. Marion Lush and his Musical Stars will be featured all 3 days also Eddie Blazonczyk and the Versatile Versatones will be featured all 3 days. The Ampol Aires Orchestra will be featured Sunday night plus Walter Ostanek, Walt Jaworski, Eddie Olinski, Joe Macielag, Buffalo Bellares, The Jumping Jacks, The Musicals plus eight other Bands. Polka Personalities from all parts of the country are expected to be on hand also. These bands will linger long in the minds of the thousands who will be in attendance. To be sure, Buffalo and its many miles of suburbi holds many allures for the Convention visitors especially NIAGARA FALLS . . . and our Polka Folks have a way of quickly finding these wondrous places with little difficulty. The weatherman promises nothing but sunshine (who'd dare predict rain there) and the city, county and State Officials are readying the red carpet treatment for all.

You still have time to send for your tickets by writing to Polka Guide, 1740 W. 47th St. Chicago, Ill. 60609

or you can purchase your tickets at the gate. The location once again is THE TRUWAY PLAZA, Buffalo, New York and the Polka Headquarters will be in the HOTEL LAFAYETTE. Friday night dancing will start at 7:00 p.m. Saturday the delegates have there business session with a dinner at 1:00 p.m. sharp. Appointed delegates must register at the Hotel Lafayette for the Saturday session by contacting Johnny Hyzny at the Hotel.

All girls who would like to be in the beauty contest can register at the TRUWAY PLAZA upon arriving at the gate. Dancing will take place under the big 60 x 270 foot tent plus rides for the kids and many booths with souvenirs. A big 40 x 100 ft dance floor and tours to NIAGARA FALLS Saturday afternoon. Saturday, dancing will start at 5:00 p.m. and Sunday dancing will start at 2:00 p.m. A direct radio broadcast will take place Sunday afternoon 4:00 to 5:30 p.m. all the way to Chicago, Illinois. This will be the first time a Polka Show will be heard from such a long distance. By the way the Show is the JOHNNY HYZNY SHOW which is heard every Sunday in Chicago 3 - 4:30 p.m. over radio station WTAQ 1300 kc on your dial.

SILVER CITY SCOOPS

By Stan Saleski

All roads lead to The Polka Guide Convention, in Buffalo, New York, and being held on August 6th, 7th, and 8th of 1965. This Correspondent and Polka DeeJay, had all intentions of attending, however, due to a lot of friction, between some DeeJays, Band Leaders, and Recording Companies (in the East here) I had (SACRIFICED) my trip to Buffalo, which was also a part of my own vacation. I value my reputation very highly, and would rather (SACRIFICE) my trip and vacation, than to lose my fine reputation. I wish all those planning to attend, the very best, and I'm sure that all of you, will sure have a marvelous time.

Had a nice letter from Bob Vandak, of Kwajalein Islands, in the Pacific. Bob, informs me that he has been out that way, for over two years, and enjoys it very much. He is a devoted reader of the Polka Guide. I promised Bob, a free Polka Album, for writing in to me at Radio WMMW from 8,000 miles away. I believe that if I did send him some 45 rpm's instead, he would be sure to get them . . . in good condition. Because it seems that everytime I mail out a Polka Album, to a Polka DeeJay, or to a contest winner, the fellows in the Post Office, have a habit of putting my albums . . . under the piano's, instead of placing it on top of the piano. Nice to hear from you Bob Vandak.

Virginia Seretny, that popular Gal DeeJay, of Radio WILI in Wilimantic, Connecticut, tells me that she is looking forward to The Polka Guide Convention, being held in Buffalo, New York. Met up again with Virginia, at one of the Polka Dance Ballrooms, during a recent dance in this area. She is a dedicated Polka DeeJay, and deserves a lot of praise, for promoting the Polka Music. We could use more dedicated persons like Virginia

Seretny, in our Polka World.

Joe Lazarz, that well known musician and Band Leader, told me of his trips to Poland. Joe tells me, that to appreciate the finer things in various parts of Poland, it would take quite some time, and cannot be done in merely two weeks, as some people are led to believe. Joe Lazarz, contemplates another trip to Poland next year, and I do wish him well in all his travels. It's too bad . . . that Joe, does not come out with one or two more Polka Albums, because with all of his fine talents, it would be a shame to have it all go to waste. Nice hearing from you Joe Lazarz.

Just about the time . . . this issue of Polka Guide goes to Press, yours truly Stan Saleski, will be getting our Polka Party Spectacular underway. I'll tell you nice readers all about it, in the following issue of Polka Guide.

I've had a dozen different Polka Bands, offer their Free Services, for our Polka Party Spectacular, and it's so nice to know . . . there are Band Leaders and Musician's, who are big hearted, and would give of their own free time, so that we may serenade our Polka Public. My sincere thanks to all of you fine gentlemen for your kind deed.

It has come to my attention, that many of the Eastern Band Leaders, and Musician's, are getting a swell head, and figure that only their orchestra is the best, and deserve the most spins. There are also a few out there in other parts of our Country, who belong in this . . . catagory. They seem to be looking out only for their own pocket books, without any regard for the Polka Field in general. Remember fellows, your orchestra and yourself, is just one small segment of our Polka World, so let's try to get back on the ball, and work together, instead of down grading all other Polka Bands, so that you may stay on top. I class this as professional jealousy.

John Lewandowski of Chicago, is to be complimented on his fine Poem, titled (The Greedy). The Poem was well written, the words were appropo, and the Poem will not change those who are Greedy, and prey on the good hearts of others, in order to get to the top. Congratulations, to John

Lewandowski, for bringing out that well written Poem, and those are exactly my own views John.

Had the pleasure of meeting up with Jimmy Sturr, of Florida, New York, who was my guest on my Silver City Polka Party recently. Jimmy Sturr, has his own Radio Polka Program, over Radio WALL in Middletown, New York. He was also the guest of John Zavaski, of Radio WCNX . . . in Middletown, Connecticut. Nice to meet up with Jimmy Sturr, as well as his friends, who dropped in with him. One fellow was Richie Labanowski, who holds the title of . . . Harvest Moon Dance Champion, who won his title in Madison Square Garden, in New York City. Also it was nice meeting up with Dolores Niesolowski, the young lady in the group.

If any of you Polka Guide readers, would like to have a fine picture of Joe Lazarz, and also Al Santos, all you have to do . . . is to buy one of The Al Santos Polka Albums, and you will get this triple treat.

Because of the many slurs, and uncomplimentary remarks, cast upon me in recent months, I Stan Saleski, will discontinue any further promotions, regarding new releases, Polka Band engagements, extra spins on the turn-tables, and everything else, which may connect me to the Polka World. I am the victim of circumstances, various people, who are ungrateful for what I had done, and are trying to mar my highly praised reputation. Although, I hold no animosity towards them, I will continue to write for The Polka Guide, as I had in the past, and give the Polka Records, only normal spins on my Polka Program. I tried to be friendly with everyone, but found many to be very ungrateful.

The following Lyrics, were written by this Correspondent, especially for our Polka Guide Convention, in Buffalo, New York. The tune is played and sung . . . to that oldie number of way back (SHUFFLE OFF TO BUFFALO).

(SHUFFLE OFF TO BUFFALO)

You go home and get your Trumpet
On the Bongo's we can thump it
And away we go . . . Oh! Oh!
Off we're going to shuffle

Shuffle off to Buffalo
On The Bus we'll find it cheaper
As they don't have a sleeper
My friends told me so . . . Oh! Oh!
Off we're going to shuffle
Shuffle off to Buffalo
It is well worth this mention
That we'll have A Great Convention
And we're glad to go . . . Oh! Oh!
Off we're going to shuffle
Shuffle off to Buffalo
We will hear that Polka Music
Now what person can refuse it
And away we go . . . Oh! Oh!
Off we're going to shuffle
Shuffle off to Buffalo

Lyrics By; Stan Saleski

Many thanks, to Eddie Pawlowski, Manager of The Polish National Home in Hartford, Connecticut, for rolling out the red carpet, for all of us Polka DeeJays, and other Notables visiting on Saturday evening, June 5, 1965, when Marion Lush and his Orchestra were playing. I had the pleasure of meeting up with DeeJay Johnny Libera, of Radio WESO . . . in Southbridge, Massachusetts. Met my Buddy as well . . . John Zavaski, of Radio WCNX . . . Middletown, Connecticut. I also had the pleasure of meeting again, my good friend Eddie Goodlewski, the former Manager of Polish National Home. It sure was nice to see Eddie Pawlowski, play the gracious Host, and I also met Johnny Libera's wife, and many others, who enjoyed themselves at the Home. We could use more of these fine public relations in our Polka World. Thanks to you . . . Eddie Pawlowski, for rolling out the red carpet.

Look for a brand new Polka Album, it's out on the market now . . . and is nicely done, by Bob Szymanski's Rex Recording Orchestra. This Album is available at your favorite music stores. The orchestra goes under the slogan of Bay State's Smartest Polka Band. Good luck to you fellows with your new release.

This Polka DeeJay . . . Stan Saleski, will be off on a well earned Vacation, from August 1st to August 14th of this year. I will not let anyone know, just where I plan to spend two weeks vacation, because that way I will be able to get a well deserved rest. I'll

SIDEMAN OF THE MONTH

This month we are featuring none other than Stanley Wozniak Jr.

Stan began his musical career at an early age. Five years old to be exact. His first instrument was the violin. Stan could literally read music before he could read words. At the age of eight he joined the drum and bugle corp. and this is where he developed a foundation for playing the trumpet.

Stanley attended Holy Trinity High School where he joined the band in his freshmen year. In his second year of High School, he was already playing with the Polkaliers Orch. The following year, he joined the Sync paters Orch. By the time he reached his senior year he got a call from Lil Wally to play steady with the band The very first job Stan played with Lil Wally was at the Aragon Ballroom in Chicago. Already playing the trumpet and violin, He decided to add the concertina to his repertoire of musical instruments.

Because of business interests, Stan had to quit playing for about a year. the urge returned and this time he hit the jackpot, for it was at this time

the Musical Stars were formed. The original group formed in 1959 consisted of Marion Lush, Stanley Wozniak, Mickey Lacny, Ed Benbenek, Ron Mandell, Gene Rydosz and Stan Mikrut. The individual members had been playing in the Chicago area for some time and the formation of this group was a sensation. Eventually the group came under the leadership of Marion Lush and started playing in the big Ballrooms throughout the country.

In November of 1961, Stan left for the army and temporarily was out of the Polka field. Upon his return from the Army he was contacted by Don Ptak with an idea to form the group known as the Casinos. The name originated from Stanley's place of business, known as Wozniaks Casino. Presently Stanley is running his business which includes a Ballroom, lounge, restaurant and Bowling alley along with playing dance dates with the Casinos.

Stanley Wozniak Jr. has come a long way with his spirited playing and business management.

Our hats off to you Stas and best of luck in your future endeavors.

MR. COSMOPOLITAN

By John Lewandowski

Today I tell you dear polka lovers of a great man. A true aristocrat of his own cultivation. Though born of poor Polish parents, like many of us, this man gained for himself the respect of millions and the love of everyone whose life's way crossed his.

Like the Master, he was looked up to, his judgment was decisive, and his services sought for.

His mind was dominated by the future. To him the past was a memory; the future an ism. In his heart he believed that whichever was good for the future must come from the good of the past. It was the future in which he found his veritable fountain of youth. This was the power which kept him going. This is why he was capable of doing so much with his life.

Polka lovers everywhere shall ever remember his name, the people of Detroit and area shall never forget him.

I'm speaking of our dear friend Eugene Konstantynowicz, who passed away recently while touring his native country Poland.

Eugene K. was best known as the voice of Detroit. For 30 plus years he was a Dee Jay in the Michigan area and in his present position a director of radio station WJLB of Detroit. He was a dedicated radio

personality and a pioneer in the causes of his native born people.

Many found him to be helpful; many more found his services useful. And all had learned to love him.

They loved him for his humbleness. They loved him for his practice of simplicity.

They loved him for his dedication to truth.

They loved him for his high mindedness in refusing to meddle.

They loved him for holding fast to tradition.

They loved him by learning that the better they got to know him the higher they got to value him.

All these fine qualities make him deserving of the title of true aristocrat. A powerful person but a humble man. May he rest.

We, all of the polka world and of the Polka Guide send our deepest condolences to his family. In the name of all I dedicate the following verse to his memory.

His Care was Share

We pay honor to a humble man
A pioneer amongst our Polka clan
Rating him highly we're proud
to acclaim
Mr. Cosmopolitan of Polka fame.
Of himself he eagerly giveth
For others cause that's how he liveth
We are happy to have had him as
a friend.

And ever so grateful for his
helping hand.
Thank you Eugene Konstantynowicz
GOD BLESS YOUR SOUL
PEACE

POLANKA at Dover, N. J. is now in full swing with Sunday dances every week. Frank Gutowski, Walter Lesniak, Joe Sidor and Jimmy Sturr rotate throughout the summer.

Polkas are really starting to rise in the New Jersey area. In the beautiful new air conditioned Knights of Columbus Hall in Wallington, N.J. there are polka dances held every last Friday of the month. Top name polka bands rotate.

The Miss Polish-America contest will be held at Pallsades Park, N.J. The contest will run for six Saturdays starting July 10th. The finals will be Aug 14.

The Hartford Polish Home was filled with some excitement on June 6th when Stas Przynski of the CONN. TWINS ORCH. THERESA ZAPOLSKA, singer with the FRANK WOJNAROWSKI ORCH, GENE WISNIEWSKI, MARION LUSH, EDDIE ZAWASKI and myself were all present for the Stan Ozimek polka show which originates live from the Hartford Polish Home. "OZZIE was really going wild interviewing all of the band leaders. What a fabulous show he has.

This Fall will mark the third year of the unusual Polka Show sponsored by Driftwood Creations and Florists, 4883 Archer Ave., Chicago. The show is aired Sundays between 1 and 2 p.m. over WTAQ (5000 watts), on Chet Schafer's program. Gathered around the mike are the Polish Mountaineer Queen Irene Szymczak, band leader and vocalist Mattie Madura, sponsor and host C. J. Chet, and Chet Schafer. The program is taped at the Driftwood store and features live interviews, Polka chatter and notes on the latest in flowers and home decor.

AMPOL AIRES TO INVAD MICHIGAN AREA

The famous and fabulous Ampol Aires Orchestra of Chicago will be featured at dances on September 10, 11, 1965 in the Michigan area. On Friday, Sept. 10, they will be featured at the Polka Nite in the brand new Polish Century Club Hall located at 5181 East Outer Drive, Detroit Michigan with Mr. Ed Cieslinski, Chairman, beginning festivities at 7:30 p.m. On Saturday, September 11, the Ampol Aires will be in Jackson, Michigan, playing to all polka fans at the Polish Falcons Hall of America, Nest 336, located at 1423 Joy Avenue, Jackson, Michigan. Come early, stay late, and listen to one of Chicago's top polka, radio, T.V., and recording orchestras on September 10, 11, 1965.

A NOTE FROM JOE HOLAN

It is with deep regret that I (JOE HOLAN) must inform all my good friends in the Polka Field of music, of the closing of our radio station WHZN and therefore I no longer have a polka show on the air. I wish to thank all the Polka recording companies too numerous to mention here, for their kindness in sending me all the Polka releases also to the Polka Bands and Polka D.J's and also to Polka Guide for all your help in giving me a wonderful polka show for without all your help this would not be possible. I will keep active in the promulgation of Polka Music always. If we should return to the air I will notify Polka Guide at once.

KOZACKO KOMMENTS

By Dick Kozacko

We wonder if many of the polka entrepreneurs are not overlooking an area of polka music that remains completely uninhabited. In fact, the market is getting wider every day.

Our reference is to television. We can feel people jumping on us already. Of course, there are polka programs on television, but in somewhat scattered locations. Yes, Kozacko knows that the cost of planning a television show is very expensive. The musicians, talent, engineering and organization are a very costly proposition and the time involved in putting the show on the air is immense. We agree with all of these points.

The area of endeavor that is currently being overlooked is television program syndication. A polka show is recorded on video tape and sold to other television stations. The program features the same musicians, talent, engineering and organization that is used in the local production. A small change in format may have to be made to eliminate reference to local sponsors or points and to allow for the obtaining of individual advertisers in each locality. The end result is a polka program that can be shown in any city.

Various programs featuring "top forty" or so called "modern music" are being circulated throughout the country. Country and western fans can turn on "Grand Ole Opry" for their pleasure. But polka lovers are not so fortunate. Some of the local polka television shows have been seen in their respective communities for a number of years and are very professional productions and lend themselves easily to syndication.

As more new UHF television stations make their appearance, the need for new programs becomes more acute. While a major network station may have shied away from its own polka show, a new UHF station would be happy to present this form of program. The use of syndication eliminates the need for each station to go through the effort of producing its own program. It should also be remembered that not all areas have

the proper people able to establish a polka show worthy of television viewing.

As a resident of Detroit and speaking on behalf of other polka fans in this area, we would most enjoy seeing a polka show in our community. We know that many other polka music devotees from Boston to Los Angeles would be grateful and happy for a program of this type in their area. To you TV polka producers, why not consider making many people happy.

Lil Wally invites everyone to come out to the dances when he hits your area and meet his new band.

15 HOURS OF POLKAS

The CHET GULINSKI SHOWS, Chicagoland's fastest growing broadcasts, featuring Polka entertainment, will soon double their air time. Beginning with Monday, June 21, 1965, THE CHET GULINSKI SHOW will be heard Monday through Friday over WTAQ (1300 kc) between 4 and 5 p.m. and 9:00 and 9:30 p.m. The new broadcasts will supplement the existing CHET GULINSKI SHOWS now broadcast over WOPA-AM (1490 kc) and WOPA-FM (102.7 mc). The WOPA programs are aired daily Monday through Friday between 7:30 and 8:00 a.m.; Saturdays 11:30 a.m. to 12:30 p.m.; Sundays 10:00 a.m. to 1:00 p.m., also 7:00 to 8:00 p.m. THE CHET GULINSKI SHOWS will now be broadcast a total of fifteen hours weekly. This is the only Chicagoland program, with Polka entertainment, featured daily, seven days a week. THE CHET GULINSKI SHOWS will be celebrating the completion of ten years of broadcasting in October, 1965. Initially, THE CHET GULINSKI SHOW was a half hour broadcast heard but once a week.
